

Maggie Maki Rudolph

Born in Auckland.. then straight to Kaeo. Brought up by my grandparents Rameka & Katia Hape who lived in Pupuke all their lives. I brought my house back in 1988 and have lived there since then I started my own family. In the mid 80s I meet my husband Martin Mooch Rudolph and soon after started our own family. We had 3 children and now we have 13 grandchildren. We move from Pupuke to Turner street, when we brought our own home back in 88. Now married with my own home and our own business (Mooch contractor Ltd) which we started back in 2008. I know a lot of families in Kaeo and can understand most circumstances, which I believe is very much needed.

This has given me experience, to support our whanau.
